### Speaker Biography

Liza Fleeson Trossbach currently serves as the Program Manager for the Virginia Department of Agriculture and Consumer Services' Office of Pesticide Services. In this position, she directs the statewide pesticide program and administers the Virginia Pesticide Control Act and related regulations. The program includes applicator certification, business licensing, product registration, enforcement & field operations, compliance, and special projects including pesticides disposal and container recycling. Liza is also the current President of the Association of Structural Pest Control Regulatory Officials (ASPCRO). Throughout her career, Liza has worked in environmental and public health programs with the Departments of Health, Corrections and Agriculture.
